

We know that the last several weeks have brought about many changes to your business operations, and we are here to help. As an SBA Preferred Lender, Trustmark will provide small business loans through the Paycheck Protection Program, which has been established as part of the Coronavirus Aid, Relief and Economic Security (CARES) Act. This program is designed to provide economic support to businesses by offering loans to enable companies to retain employees and pay certain operational expenses incurred during the COVID-19 pandemic.

The Paycheck Protection Program eliminates many of the requirements of a typical SBA loan and expands the types of businesses that are eligible for relief. Below is a summary of the criteria for loans under this program.

Business Operations

Covers business operations from 2/15/2020 – 6/30/2020; loan must be originated by 6/30/2020

Expenditures eligible for forgiveness over an eight-week period

- Rent
- Utilities
- Interest payments on any mortgage obligations or other debt obligations incurred before February 15, 2020 (but not any payments or prepayments of principal)
- Payroll costs

Loan Amount

Eligible maximum loan amount is capped at the lesser of 2.5 x average payroll costs or \$10 million (for definition of payroll costs, click [here](#))

- Payroll costs are calculated as follows:
 - Existing business - 2.5 x average monthly payroll costs for previous 12 months
 - Less than one year in operation - 2.5 x January and February 2020 average monthly payroll costs
 - Seasonal business - 2.5 x average monthly payroll costs incurred during the 12-week period beginning February 15, 2019, or at the election of the applicant, March 1, 2019
- No credit elsewhere test

Interest Rate

Interest rate cap of 4%

Maturity

Up to ten (10) years from origination on any balance not forgiven

Fees

No fees to the borrower

Collateral/Guaranty

No collateral or personal guaranty required

Forgiveness

- The loan can be 100% forgiven, if certain qualifications are met
- Amount eligible for forgiveness is dependent on the number of employees on 2/15/2020 compared to 6/30/2020
- Automatic six-month deferment from origination date

Eligibility

Loans under the PPP are available to a wider range of eligible companies than the typical SBA loan:

- Open to for profit and non-profit businesses (non-profit is classified as a 501(c)(3) and 501(c)(19) organization) with less than 500 employees
- If SBA normal size standard under NAICS code allows for greater than 500 employees, the larger company will also be eligible
- Open to self-employed or individual contractors

The SBA is currently working to provide further clarification points, as this is a fluid situation. Once the SBA makes the PPP loan application, (and any required forms) available, it will be posted on trustmark.com/caresact, where eligible applicants can complete the application online.
